Our faith in Jesus has much to teach us about living well until the end of life. The program will help parishioners, caregivers, and family members facing a terminal illness to learn more about palliative care.

Throughout four modules, the learning and discussion sessions address themes such as understanding the dying process, discernment and decision making at the end of life, accompaniment and the importance of building Compassionate Communities. Please consider joining us on Tuesdays March 25th, April 1<sup>st</sup> and April 8th, at 7:00pm.
