## Doctrinal Corner

**Q: How long after communion is the Lord present in us in a very special way?**

**A:** It usually takes about ten minutes for the host to be digested in the stomach and thus to lose its form as bread. During these sacred minutes the Body and Blood, soul and divinity of Jesus reside sacramentally within the person's body in the most intimate of communions.

"Almighty and ever-living God, direct our actions according to your good pleasure, that in the name of your beloved Son we may abound in good works".
